

Sialoglyco Conference History

- 1985** Structure and Function of Glycoconjugates - Recent Progress 9th Meeting of the Japanese Sialic Acids Society Tokyo, Japan
- 1986** Frontiers of Glycoconjugate Research 10th Meeting of the Japanese Sialic Acids Society Tokyo, Japan
- 1988** Japanese-German Symposium on Sialic Acids 12th Meeting of the Japanese Sialic Acids Society and 3rd International Symposium Berlin, Germany
- 1991** Philippe Laudat Conference on "Role of Sialic Acids and Sialidases in Molecular Recognition Phenomena" Le Bischenberg, France
- 1994** 5th International Conference "Biology and Chemistry of Sialic Acids" Moscow, GUS
- 1996** 1st Australasian Conference on "The Chemistry and Biochemistry of Sialic Acid-Recognising Proteins" Melbourne, Australia
- 1998** International Symposium on "Sialobiology and Other Novel Forms of Glycosylation" Taipeh, Taiwan
- 2000** 5th Sialic Acid Workshop (Satellite Meeting to the 20th International Carbohydrate Symposium) Hamburg, Germany
- 2002** 3rd Pan-Pacific Conference "Sialoglycoscience and Other Novel Forms of Glycosylation" Broadbeach, Gold Coast, Australia
- 2004** Sialobiology 2004 St. Andrews, Scotland
- 2006** Sialoglycoscience 2006 Mishima, Japan
- 2008** Biology and Chemistry of Sialic Acids 2008 Moscow - St. Petersburg, Russia
- 2010** Sialoglyco 2010 Potsdam, Germany
- 2012** Sialoglyco 2012 Taipei, Taiwan
- 2014** Sialoglyco 2014 Gold Coast, Australia
- 2016** Sialoglyco 2016 Santa Barbara, USA
- 2018** Sialoglyco 2018 Vancouver, Canada
